LOOMIS TANK & TROUGH FIBERGLASS SEPTIC TANK WARRANTY

Loomis Tank & Trough hereby warrants its fiberglass septic tank to be free of defects in material and workmanship for a period of 5 years.

If these defects or malfunctions occur, the company will repair tank or, if deemed necessary by Loomis Tank & Trough, the company will replace tank.

This warranty does not cover the cost of installation, removal, or consequential damages. This warranty does not apply to any defects caused by improper installation, negligence, misuse, or accidents. Also does not cover leaks or failures pertaining to the actual assembly process, in the event that Loomis Tank & Trough only supplies the tank halves to distributor and the distributor is assembling the tanks. Any of this type of warranty issue is the responsibility of the assembling distributor.
