IAPMO RESEARCH AND TESTING, INC.

CERTIFICATE OF LISTING

Issued To: G & B FIBERGLASS PRODUCTS

File Number: 3615

Product: Prefabricated Septic Tanks

This IAPMO R&T Listing is current as of January 28, 2021

Identification:

Each tank shall be clearly and permanently marked with the manufacturer's name and/or registered trademark, model number, working liquid volume (expressed at least in gallons), date (i.e. month and year), date code, or identifier traceable to the date of manufacture, maximum design load, maximum burial depth for which the tank is designed, inlet and outlet. The markings shall be applied on permanently-affixed metal plates, etched, mechanically stamped, stamped with permanent (non-water-soluble) ink, or molded. Adhesive labels that comply with UL 969 shall also be considered permanent when placed on a surface that is not normally submerged in water. The product shall also bear the UPC® certification mark.

Characteristics:

Prefabricated septic tanks made of concrete, fiber reinforced polyester (FRP), thermoplastic, or steel to be installed in accordance with the manufacturer's instructions and the latest edition of the Uniform Plumbing Code.

Products listed on this certificate have been tested by an IAPMO R&T recognized laboratory. This recognition has been granted based upon the laboratory's compliance to the applicable requirements of ISO/IEC 17025.
